

COMMON TENSE MISTAKE FIXES

1. Using Continuous Tense with State Verbs

✗ *I am knowing him.*

✓ *I know him.*

 Fix:

Words like *know*, *like*, *understand*, *believe* are not actions.

 Fix:

If time is finished (yesterday, last week), use past simple.

am / is / are + verb-ing is compulsory.

After *when, if, before, after* → present tense, not future.
